

## Form C – TEEA State Credentials List

District: \_\_\_\_\_

**District Director:** Upon the registering of delegates on Form B, transfer the three names of the voting delegates per county to this form. This may be done after each county registers. Print counties and delegates names in alphabetical order. After all of your delegates have registered and Form C is complete, give it to the Credentials Committee. Duplicate this form as needed. Form C will be the sign-in sheet if there is a state election by ballot.
